WE APPRECIATE YOU...ESPECIALLY YOUR HEART

Thanksgiving is a holiday in which the entire nation stops and reflects on all the things they are thankful for in their lives. Family Promise of Roane County is no different. The majority of our program's success is because of all the gracious hearts of our volunteers, donors, and corporate and nonprofit partners. This Thanksgiving, we offer thanks to the many people who support families battling homelessness through their volunteerism, donations, in-kind gifts, and partnerships. The combination of time, talent, and treasure form a dedicated team fighting against family homelessness. You change lives every day. For that, we are truly grateful.

We are thankful for the volunteers who provide so much support to families in need and the countless ways you work to empower families toward independence, thus making the world a better place.

Thank you to all who have supported families in times of crisis, whether through a financial gift or gifts-in-kind.

We extend our appreciation to the organizations dedicated to making a difference in families lives, like Shoes for Souls, Citizens of Roane County, Blue Regular Motor Cycle Club, Rockwood Ministerial Association, and Geez Louise.

Thank you to the valuable corporate and nonprofit partnerships that enhance programming and provide families with unique opportunities that empower them to independence. Partners like Trinity Health Foundation, Belk, University of Tennessee Extension, and Head Start.

We are grateful to all our congregational support, including our host and support churches: Morrison Hill Christian Church, Kingston Church of Christ, Harriman Church of God, Bethel Presbyterian, First Christian Church of Rockwood, First Christian Church of Oak Ridge, North Point Church, Williams Chapel, Church of Jesus Christ of Latter-Day Saints, First Presbyterian Rockwood, Riverside Baptist Church, Harriman Redeemer Lutheran Church.

Thank you! Happy Thanksgiving to you and your family from Family Promise of Roane County!

Wheels to Work

GREAT NEWS

Our affiliate along with Family Promise of Blount have joined together to for a cooperative grant by University of Tennessee learning by giving initiative. This was a very competitive grant in which I am happy to announce we have received. These funds will allow both FPRC and FPBC to purchase a very important software needed for both Family Promise affiliates along with the training and materials for the software.

We are also excited to announce that Belk hosted two charity sales to increase awareness of family homelessness and raise money for our Affiliate. The November sale was nothing short of a resounding success! FPRC will receive \$2,000 just from the first event. We are still waiting on the results from the second. We are hopeful it will bring even better outcomes. These funds will help to support many of our outreach program such as our "Back on Track" prevention program, and our "Pajama and Book Drive."
