One night during the month of October we invite you (and your family or group) to spend a night without a bed so other children won't have to. A **Night Without a Bed** is a national awareness and fundraising campaign for families experiencing homelessness. Spend one night sleeping without your bed. You can sleep on the floor, or in a tent, or anywhere you like. Collect donations from sponsors who are willing to support your efforts. We invite you to post photos of your night on social media. Please use the hashtags: #ANightWithoutABed #familypromiseroanecounty.
