

Family Promise of Roane County- Youth Group Challenge!

Church or Organization Name: _____

Address: _____ Phone Number: _____

One night during the month of October we invite your youth group to spend a night without a bed so other children won't have to. A **Night Without a Bed** is a national awareness and fundraising campaign for families experiencing homelessness. Spend one night sleeping without your bed- sleep in the youth room, or with your pastor's permission- in the pews! You can also sleep on the floor, or in a tent, or anywhere you like. Collect donations from sponsors in your congregation or organization who are willing to support your efforts. Which Youth Group in Roane County can raise the most for FPRC in one night? Let's find out! Recognition will be given to the top Youth Group Participants! We invite you to post photos of your night on social media. Please use the hashtags: #ANightWithoutABed #familypromiseroanecounty. #youthgroupchallenge
