

# Family Promise of Roane County Newsletter

3 things we're excited about in **October!**

1

## FPRC Graduated a Family of 7!

We are excited to announce that Family Promise of Roane County has graduated yet another family thanks to your generosity and support. Five children are now able to grow up in and enjoy living in their own home!

**How you can help:** Help us share these amazing success stories so that we can help more families!

## Night Without A Bed Event

We are launching a national awareness and fundraising campaign for families experiencing homelessness. Families and youth groups are committing to spend one night without their bed to raise money and awareness so other children won't have to.

**How you can help:** Your family, church, or organization can participate too! Call 865-548-8474 for more details!

## A Word From Our Executive Director

Thanks to your generous support that has been doubled by the Clayton Prevention Matching Grant, we have been able to ensure that 7 families will not face eviction. That means 17 children and 10 parents will experience the stability of living in their own homes instead of struggling to find housing elsewhere. Thank you!

**How you can help:** Please consider donating to this matching grant to keep families from falling into eviction.
