## Clayton Supports Family Promise of Roane County with \$20,000 Grant!

The Clayton Foundation has long been a supporter of Family Promise and has more recently become a supporter of Family Promise of Roane County. Two years ago, we received a \$10,000 grant from them. Last year, we received a \$15,000 grant from them. This year, we have received a \$20,000 grant from them. The Clayton Foundation has proven time and time again that they support families and we are extremely thankful to their dedication to our local community.

Be sure to express gratitude for this donation when you visit on of the many local companies, such as Clayton Homes, Clayton Bank, Clayton Volvo, etc. that support the funding for this grant.

Clayton is proudly headquartered in Alcoa, TN - a short drive from us here in Roane County.
